## EDUCATION

---

**Maryland Institute College of Art** Master of Fine Arts, Mount Royal School of Art, May 2020  
**University of San Francisco** Bachelor of Arts, English (Minor: Film Studies), May 2017

## EXPERIENCE

---

**Graduate Program Assistant, Mount Royal School of Art**  
Maryland Institute College of Art, Jan 2019 - Present  
As Video/Tech Assistsant, responsible for filming all visiting artist lectures and group critiques. Maintains and backs up a database of all recordings. Works closely with other GPAs on general administrative duties and serves as a link between the program director and students.

**Graduate Research Lab Assistant, MICA Graduate Research Lab**  
Maryland Institute College of Art, Nov 2018 - Present  
Works closely with checkout equipment. Works directly with the lab coordinator to onboard new equipment and organize the equipment crib. Identifies and repairs damaged equipment.

**Executive Producer, USFtv**  
University of San Francisco, Aug 2015 - May 2017  
Wrote, filmed, and edited original video content for the University of San Francisco's student-run online television channel. Managed a team of production volunteers and interns. Created longterm production schedules and staff budgets.

**Lab Monitor, USF Media Lab**  
University of San Francisco, Jan 2015 - May 2017  
Managed film and audio equipment distribution. Knowledgeable about film and audio equipment as well as film and audio editing software. Performed maintenance and troubleshooting for both equipment and software.

**Programming and Hospitality Intern, Frameline Film Festival**  
San Francisco, CA, Jan 2016 - Jun 2016  
Worked with screening committee to watch and review film submissions for Frameline Film Festival. Worked with guest services and served as a theater host during the festival to ensure filmmaker and guest satisfaction.
